## 2. Colocá tu usuario y clave y a continuación “INGRESAR.”

The image is a composite of two screenshots. The left screenshot shows a smartphone displaying a landing page for creating a user account, with a button labeled 'CREÁ TU USUARIO'. The right screenshot shows a desktop browser window for Banco Roela's home banking login. The browser window includes the bank's logo, a 'Recordar usuario' (Remember user) checkbox, a password field with an eye icon, and a large 'INGRESAR' (Enter) button. Below the password field, there is a link for users who are having trouble with their login credentials.

### 3. Listo! Ya podés comenzar a operar en el nuevo HB 3.0!

The screenshot shows the Banco Roela Home Banking 3.0 interface. At the top, it says "Hola, Sabrina!" and "Estás en Inicio". It displays the last connection date as "28/12/2023 - 09:40hs". On the left, there is a sidebar with icons for "Inicio", "Cuentas", "Tarjetas", "Recargar", "Pagar", and "Transferir". The main area has three main sections: "Cuentas" (Accounts) showing a savings account with \$25,38 and another with \$0,00; "Tarjetas" (Cards) showing a Masterdebit card ending in \*\*\*\*0506; and a "Tus próximos vencimientos" (Your next due dates) section. On the right, there is a "Horario de atención" (Attention hours) section from 8:30 to 17:30 hs, contact information (351 322-9808, 0810 - 777 - 6352, and email mesadeayuda@bancoroela.com.ar), and a photo of a customer service representative. The Banco Roela logo is at the bottom right of the page.
